## ITAD Business Development Manager (ITAD Sales)

**Location** – Cheltenham

**Salary** – Competitive

**Hours of Work** – 08:45 – 17:30 Monday – Friday

**Benefits** – 28 Days' Holiday, Pension Contribution, Perkbox, Childcare Vouchers, Employee of the Month, Personal Phone Insurance, company mobile phone and flexible working hours

### Company Profile

This is a great opportunity for an experienced ITAD Business Development Manager to join our internationally established IT company. With clients on every continent across the globe this is a huge opportunity with a vast market to explore. CHB Global are an international IT company who specialise in offering full circular solutions to our customers including:

- Secure data wiping (MOD/ DOD level)
- Deinstallation
- Secure quarantine facilities
- Refurbishing IT equipment
- Remarketing of redundant equipment
- Recycling of redundant equipment

We are looking for an experienced ITAD Business Development Manager to join our fast paced, dynamic and expanding business. Working closely with the Sales Director the role will involve account management of current accounts and building relationships with new clients to grow the organisation's business. Working within the Cheltenham sales team and closely with the Sales Director you will be responsible for sourcing new business, account managing existing business and selling our ITAD solutions to customers across the globe.

### Key Responsibilities:

- To build and develop new and profitable relationships within the ITAD sector
- Secure sales opportunities through research, outbound calls, email and LinkedIn
- Identify key decision makers, determining buying readiness and timelines
- Set up and attend meetings with prospective customers
- Communicate new and existing products to prospective clients
- Understand the needs of our customers and effectively respond with a plan of how to meet their needs
- Think strategically and set clear objectives in order to develop and improve business
