Company Profile

This is a great opportunity for an experienced IT purchaser to join our internationally established purchasing team. With clients on every continent across the globe this is a huge opportunity with a vast market to explore. We are an international trader of IT hardware across all platforms including IBM, Netapp, Dell/EMC, HP, Cisco, Juniper etc. Now in our ninth year with offices/ warehouses in England, Scotland, US, Germany, Hong Kong and Australia we are looking for an experienced IT purchaser to join our fast paced, dynamic and expanding business. Working closely with the Sales Director the role will involve account management of current accounts and building relationships with new clients to grow the organisations business. The role requires an experienced IT purchaser. They must be self-confident, proactive and be able to work well by themselves and as part of the team. The ideal candidate must have previous purchasing experience within the IT brokerage industry is preferred, with a history of hitting sales targets and building new business.

Key Responsibilities:

- Purchase IT hardware across all major vendors for the sales team to sell
- Communicate effectively with the sales team to drive sales and source products in demand
- Manage and maintain positive long-term relationships with new and exciting suppliers
- Identify key decision makers, determining selling readiness and timelines
- Create new opportunities with suppliers
- Set up and attend meetings with prospective suppliers
- Actively source new accounts
- Understand current market trends and develop product knowledge
- Think strategically and set clear objectives in order to develop and improve business
- Achieve set KPI's and provide a weekly update to your Line Manager
- Ensure all margins are accurately calculated
- Negotiate the best terms possible for CHB Global
